

## CLAIRE AGRE PRESENTS AT RUTGERS UNIVERSITY COMMON LECTURES SERIES

29-01-2018

Principal in Charge of West 8 New York, Claire Agre, is invited to present at Rutgers University Common Lectures Series Spring 2018. On January 31 2018, titled 'Waste Not: Recent West 8 Works', Claire Agre will highlight some of West 8's North American portfolio, from the renaissance of an abandoned urban island to the leveraging of waste to rebuild eroding coastlines.

The Department of Landscape Architecture at Rutgers, the State University of New Jersey is situated within the School of Environmental and Biological Sciences, located on Rutgers' historic [Cook Campus](#).

The Spring 2018 Landscape Architecture Common Lecture Series at Rutgers started on January 17 with Emily Vogler, Department Chair of Landscape Architecture at the Rhode Island School of Design, will continue on each Thursday through to April. These lectures are open to public.
