

OUR RESPONSE TO COVID-19

17-03-2020

West 8 is monitoring the COVID-19 pandemic closely and is responding proactively according to advice issued by the federal government and health authorities in the Netherlands and the US. We have taken a number of steps in order to mitigate risk for employees and collaborators. Although a large number of our employees currently work from home through secured systems, we maintain operations of our practice as usual. We wish everyone a safe and healthy time.
