

WEST 8 TO SPEAK AT FONDAZIONE OF SANDRETTO RE REBAUDENG

19-11-2012

West 8 has been invited by Alessiostudio to take part in the series on "Architecture - Examples of Quality" in Turin on 20 November 2012. Joris Weijts, architect and project leader, will present some recent award-winning projects illustrating the developments in public space and he will also give an insight into the Masterplan on Governors Island. He will present the ideas behind the Governors Island Park and Public Space Masterplan.

The lecture will start 6.45pm in the auditorium of the Fondazione of Sandretto Re Rebaudeng. For more information, please see www.fsrr.org.
